

## **HONOURABLE MOUSE**

I am a mouse, not just any old mouse  
No hole in the wall for me.  
I live in a country mansion,  
And my family are pedigree.

True, this mansion is now empty,  
due to moneys being drained,  
No one has come forward  
No titles have been claimed.

So I scurry through empty rooms,  
This is all my domain.  
Until new owners come,  
Or the council stakes a claim.

So now I live in comfort  
Amongst these stately piles,  
Secure in the knowledge there are  
No cats around for miles.
