

## **MY LOVE**

I see you in the kitchen  
Doing the daily chores  
I see you through the window  
Polishing the outer doors  
I see you in the garden  
Tending to the lawn  
I see you mending garments  
That are rent and torn  
I see you by the fireside  
Knitting purl and plain  
I see you in my dreams  
Time and time again.
