

## **THEATRELAND**

Comedy, Art, Drama vie together in the myrial fairyland  
Sportsdromes, new Theatres, cafes all pulsate with London blood  
The Abbey a peaceful contrast  
Hallowed, consecrated, mellowed by time  
Retreats and cloisters that give sanctuary to a weary few  
Houses of Parliament pinnacled and austere against London's skyline  
Whilst Big Ben sonorously measures the nation's time.
