

TOWN CRIER

Our Town Crier, is no high flyer,
Down to earth type is he.
With lusty lungs, and a glib tongue,
He imparts news to the community.

Scarlet robe, tricorn hat, plus a strident bell
His manner, and his office,
Suit him very well.

Alas the office is superseded,
With email and internet.
But we should keep up these traditions,
Which we so easily forget.
